**FOR IMMEDIATE RELEASE**

**2008 CUSTER COUNTRY VACATION GUIDE NOW AVAILABLE**

Custer Country, Montana's largest tourism region, announces the arrival of their 2008 Custer Country Vacation Guide. The region covers 34,000 square miles and includes 13 counties and the Crow and Northern Cheyenne Indian Nations in southeast Montana.

The 2008 Custer Country Vacation Guide contains 128 pages of history and scenes from the cities, towns, parks, events and attractions in the region. From Ryegate to Alzada and from the Bighorn Canyon to Wibaux, the guide also includes information about restaurants, motels, hotels, campgrounds, gas stations and museums that welcome tourists.

Custer Country is one of six tourism regions in the state, all of which are named for the cultural, geographical or historical assets of the individual regions.

For a free copy of the 2008 Custer Country Guide, call 1-800-346-1876 or visit [www.CusterCountry.com](http://www.CusterCountry.com). The guides will also soon be available in cities and towns throughout Custer Country at Visitor Centers, motels, Chambers of Commerce and advertisers' places of businesses. Refer to the website for additional information including interactive maps, regional news, a calendar of events and updates on activities in Custer Country.
